### TRAFFIC COMMISSION MEETING WEDNESDAY, September 1, 2010

Voting Members Present: Margaret Roberts, Don Spencer, Paul Steel, Roy Nutter, Chris Gluck, Betty McClain, Tony Barill, Andrea Succorsi

Non-Voting Members Present: Damien Davis, Lt. Mike Lantz, Frank Gmeindl

Members Absent: Graham Kenneweg, Ken Martis, Christiaan Abildso

#### MATTER OF BUSINESS:

Mr. Roy Nutter called meeting to order 6:30 pm.

#### PUBLIC COMMENTS:

Jessie Reckart, 339 Dorsey Avenue, expressed her concern for truck traffic on Dorsey Avenue. She requested Traffic Commission to look into solutions to eliminate the truck traffic on Dorsey Avenue.

#### MEETING MINUTES

No minutes were reviewed

#### BICYCLE BOARD:

Frank Gmeindl reviews Bicycle Board report.

#### PEDESTRIAN SAFETY BOARD:

Roy Nutter reviews email received from Christiaan Abildso regarding pedestrian safety issues.

#### TRAFFIC CALMING SUB-COMMITTEE:

Chris Gluck reviews progress. Damien Davis reports on speed humps installed this summer.

#### MONTHLY UPDATES:

Damien Davis reported on the effectiveness of Stop Bars installed at several locations throughout the city; the Rail Trail Closure, the Campus Connector and options and costs for closing half of Rotary Street. Damien Davis recommended that a stop sign not be installed on Listravia Avenue; and gave recommendations for removing some parking on Western Avenue. Data from Stop Bar study shows no increase or decrease of people coming to a complete stop at intersections where stop bars were installed. There is still no decision on the Campus Connector. Listravia Avenue and Western Avenue will be placed on the October Agenda under Unfinished Business for action to be taken by the Traffic Commission.

#### UNFINISHED BUSINESS:

None

#### NEW BUSINESS:

None
